“ *Gloria - a name with the same root as "Glory" and "Glorious" - words most often used to designate the presence of God. Gloria had difficulties in life, but in her graduation to glory she is now in the presence of perfection... and at peace in so many ways. She suffers no more.*

We don't think it normal when a parent has to bury a child, no matter what their age - so most of my prayer is for God's grace to both, fill and flow over "Mama Ruth".

But my prayers are also for the rest of the family... brother and sisters, children and grandchildren. May they bond with special memories and save them in their hearts.

Love, Gerald

“ *My heartfelt best wishes to the whole family. Gloria may had limited resources here, but having graduated to glory she will have infinite value, eternal opportunities, clarity of thought, purity of character and lots and lots of love from the Lord. Life was often difficult for her, but will be unending release and relief there. Hating to see anyone leave this world, we still know that what she has now encountered will be satisfying and sufficient forever. My love to all, Gerald*
