*The hardest year ever with you gone
You were there when I time my arm at 6 yrs old, you were there when I
had surgery, you were there when I got married.. you were even there
at my 18th Class Reunion. .. you were always there and that's the most
difficult to get used to, will I ever? I don't know but right now a year
later I'm not
Miss you so much Jitterbug 🥺❤️*
