“ *To all the Puckett family; I am Blessed to have known Grace, for years, and celebrate her life, while grieving her loss, with you all. When I was GCPR Dir. of Operations, I always looked to Grace for her guidance and input on SO Many things. Not long before I retired in 09, I spoke at a Retired Teachers meeting and Grace was right there with me. Smiling, supportive and head nodding. Then, and only then did I know I was doing ok. (smile). Gwinnett County is a better place and I am a better person having known and worked with Grace. She was a true friend of mine. Thank you for sharing Grace with us all. God Bless her and God Bless you all. Sharon Plunkett*

“ *Mrs. Puckett was my third grade teacher at Dacula Elementary, truly one of the very special people who made a positive impact on my life at a very early age. I've thought of her often over the years always in a loving way because that's the kind of person and teacher she was! She will truly be missed but Heaven has most assuredly gained another beautiful angel!*

“ *So very sorry to hear of Mrs. Puckett's passing. She was my 3rd grade teacher in 1977. She always made learning fun and was one of my favorite teachers throughout the years. I can remember each morning that she would read a Bible story to the class before we began the rest of our day. Mrs. Puckett encouraged me to always do my best and inspired me to become a teacher myself. I pray for peace and comfort for all the family and rest in the hope that we will all see her again one day.*

“ *Kent, Tim and Other Family Members,*

Michael and I send you our prayers and thoughts as you deal with the loss of the special lady you called "Mother." Miss Grace was synonymous with the Dacula/Hog Mountain community that she served and loved all her life. My latest encounters with her were at various senior events where her love for life showed as she helped plan and lead activities. She has shown us all a great model to follow---I just hope I have the energy and stamina to do so.

God's peace to you.
