### AJC STORY OBITUARY/SERVICE HANDOUT

Grace Campbell Walz departed this life on Sunday, November 29, 2015. She leaves behind her loving husband, her doting family, and her precious friends. Born in Great Kills, Staten Island, New York on January 14, 1932 to Malcolm and Hazel Campbell, Grace is preceded in-death by an older brother John and survived by a younger sister, Theresa Evelyn,

At 18, she married her longtime sweetheart, Peter Dongan. The army relocated the young couple to Atlanta. They continued to plant roots in the area, as he was accepted to a residency at Emory while several years later, she earned her Masters in Psychology from Georgia State University.

During their sixty-four years of marriage she became the matriarch of an ever-growing family, with four daughters, Barbara Walz Rosekrans (Stephen), Susan Walz Butera (Kenneth), Diana "Dani" Walz Camp (Joe), and Linda Walz Cantrell (Phil), and 14 grandchildren and 16 great grandchildren.

In retirement, Grace and Pete relocated to their home on the lake in Hiawassee, where she continued to bring life into the kitchen with her cooking, and as a seamstress. Her garden bloomed under her care, as we all did.

Her life always gave so much more to all of ours.

So instead of being sad, she would prefer laughter. But if you must cry, at least let your tears get caught by your smiles as you cherish a joke, a snippet

of a comment, or a complete moment that you shared with Grace.

Today, smile and know that you're smiling with her.

We love you, Toots.

Though there may be little that can be said or done to ease your pain, may you find comfort in knowing that many care and sympathize with your sadness. Always know that Jehovah God is with you to strengthen and guide you. May your trust in his promise of a resurrection bring you peace. - Acts 24:15*
