Grady F. Stancel was a member of " THE CHOSIN FEW". Grady was in the Marines back in 1950 when the North Koreans invaded South Korea. He landed at Inchon with United Nations forces commanded by General Douglas MacArthur, and with fellow Marines, fought his way inland to the Chosin Reservoir.

Meanwhile, the Chinese Communists had secretly infiltrated an army of 130,000 troops into the mountains surrounding the reservoir. Their orders were to attack and destroy the 30,000 United Nations forces there, composed mostly of US Army and Marine units. Threatened with annihilation, the Marines fought their way back to the coast for evacuation during 17 days of continuous battles. Not only were they being attacked from every direction by overwhelming numbers of enemy troops, but the Marines also had to cope with brutal winter weather, including temperatures falling to 45 degrees below zero. Marine casualties were staggering, both from combat and from the severe winter weather. Grady was among the survivors - The CHOSIN FEW. An American Hero!

“ *Carol and family - I'm so sorry to hear of your sweet dad's passing. I knew he was in the hospital but I was out of town in May and missed hearing about it until now. At the early service, sometimes your dad would sit with me and I always enjoyed a nice greeting hug from him. He was a true servant of the Lord and he has received his crown of blessings. Wishing you peace and comfoft in the days, weeks, and months ahead. In sympathy, Julie Whitford*

“ I got to know Grady when he first started in the Healing Rooms Ministry. An amazing heart is what I got to know. He cared about his fellow man and he loved his family. Being a fellow former Marine, we had that in common. He would talk about his time in and some of the combat situations he experienced. He cared enough for me to buy my dinner a couple of times before Healing Room ministry time. I praise God for setting Grady free from the limitations of his physical body. And that beautiful heart of his shining in Heaven for all to see.

“ Grady was a very special man. His daughter Carol is my bible study leader. He often would call at our meeting time even though Carol had told him that is when we met. I love that he wanted to talk with her. Daddy's don't have to make an appointment. I know he will be missed.

“ I remember the first time I met Grady, at the Healing Rooms..he was was one of the prayer ministers that prayed for me,as he prayed it was though the Father of Heaven was speaking to me. He was soft spoken, gentle giant of faith. I had the awesome opportunity to care for him at the hospital 4 years ago. He called me the Monday before he had a stroke, said he had been praying for me(as I lost my son) he said do you think we could have lunch some time. I said I would be honored to have lunch with you. We talked allot on the phone. He was down to earth,humble and truly cared for others. He was Father of the Faith, impacted all of us. Praying for the family. God will hold you..lean into Him.

“ We love you, Grady, and were so blessed that the Lord led you to serve in this Prayer Ministry to the community. You were always faithful--Semper Fi. Not only did you serve alongside fellow Marines in Chosin, Korea, you served the Lord with that same faithfulness at Sugar Hill United Methodist Church and in Healing Rooms at Sugar Hill.

We all miss our Grandpa Grady.
