“ Robin was the kindest person to work with at Settles Bridge Elementary. I enjoyed chatting with her and hearing about her family. It was quite evident she loved her family very much. Another fond memory of Robin is when we played March Madness each year at school. She absolutely loved the activity and was very good at picking winning teams.

My fondest memories of Robin will always be close to my heart.

“ Our thoughts an prayers are with Heath and his family and Kenny and his family. Robin and Greg were both long time friends, we had a lot of good times together. Mama Pugh always knew she would have a house full on Saturday nights when we all gathered at her house to meet and go eat pizza. They will be greatly missed but we know we will see them again one day.
