“ *When I was a senior at Buford I drove to Mrs Puckett's on Main St. to have lunch. When i came out I had a flat tire. He was walking back to the Harness Shop, stopped, changed my tire, and then went on to work. I've never forgotten this great deed. He would take no money, but i doubt between all of us we had \$3.00. That was in 1960.*
