“ *June, Just a brief note to let you know that an old friend is remembering you and your family in thoughts and prayers as you grieve for your loved one. Death is always an intruder in our lives, and somehow God is always there to help us pick up the pieces and to recall the wonderful memories we shared with that loved one. May those recollections offer you solace.*

“ *Some of the finest people you will ever know.. They watched me grow up and as they say it took a village to raise a child... the mom's and dad's in the Scott Circle area took that seriously. You watched out for other kids just as you did you own. They had as soon correct you as look at you. It was a wonderful time and place to grow up.. and the Lawler's were my second parents. They loved me, as I did them, there was never a doubt. A great man to be remembered for a long time. I love you Mr. Lawler. Pick out a great mansion in heaven, because I want to be your neighbor again.* *Jimmy Ogburn*
