“ *I am so sorry to learn of Mr. McCarleys passing. David, I hope that you'll accept my deepest condolences over the loss of your Father. While I know that his passing is very painful to all, I hope that we can take some comfort in knowing of his reunion with friends and family that have gone on before, to be in the presence of the Lord. I personally, have a hard time dealing with loss and grief, but If we didn't have such deep love and affection for our loved ones, we wouldn't have such pain and grief over their loss. My prayer for you and your entire family, is that God surrounds you all with his perfect love and comforts each of you in a way that only he can give. I am so sorry.*
