“ Tony & Family,

*I know this is a sad time for all of you but just think of the reunion that is going on right now with your parents. Your Dad is with his beloved Mary and he is bringing her up to date on all that has happened since her passing. Your Dad was a good Christian and I know he was proud of his children. He raised an awesome son like you. My thoughts and prayers are with you an your family at this. Take care.*

*Love,*

“ Dear Tony, I wish I could take your pain away, but I can't, grieve we must in order to heal. Ted Kennedy said at his mother's funeral, "We never get over it we just learn to live with with it." I was so impressed, because in a few words, he stated what we all go through and yet can't explain. Time eases the pain and you have the comfort that he's now with your mom and that someday you and all your family will see them again. No more tears, pain or separations is God's promise to us. Love you my friend, I'm here for you in any way I can help, should you want or need anything I'm just a phone call away.
