“ *Helen will forever be in my heart and my kiddos. She was a beautiful, funny, extremely welcoming and honest lady with such class. I enjoyed every conversation with her, the love she had for her kids, grandkids, family and friends I adored. I truly adored Helen and I always will. I will miss her dearly. I will miss doing her hair for her and chatting away the time! Love, thoughts and prayers go out to Helens family and friends. I am so lucky to have known Helen Fry Bertoni. So lucky, she was a beautiful friend! She's definitely a beautiful Angel in Heaven. She will always be in our hearts she has impacted with her kindness over all these years of knowing her. “Helen was so sweet - I will really miss her. I had fun playing with her cats and visiting with her. She would give me makeup and special treats. Sometimes my phone would ring and Helen would be calling - she would say "send Keira over I have a little something for her". I know heaven is a beautiful place and that Helen is happy there.

“Helen was a beautiful lady from the inside out! She was a kind and giving person who loved her family, pets and friends with a passion. Helen has been the best neighbor anyone could ever want. I know this is a painful time for you Richard and Lindsey and all the family, but may you find joy and comfort during this sad time in remembering dear Helen. - Psalm 34:18 The Lord Is close to the brokenhearted and saves those who are crushed in spirit.
