“ *I have many fond memories of many conversation with cousin Helen. We talked for at least an hour every time I called. We shared a bound as cousins and as kindred spirits who loved history and genealogy. I will miss her greatly. My deepest sympathy goes out to her son, daughter in law and her beloved grandchildren.*

“ Stevie and family.....so sorry to hear about Helen. She was a special first cousin that I loved dearly. I always enjoyed our visits when I would go by to or from Brook's house. We especially had a great visit about a year ago. We sang songs from the Red Book Hymn Book. We made our on music! I'm sure her neighbors were glad when I left. She was always smiling and had good things to say about everyone. She sure loved you and Trish and those grandkids. I will miss her.
