“ *I truly enjoyed caring for Ms. Sanders at the hospital. She always made me smile every time I walked into her room and called her "trouble". We always laughed at that nickname I gave her. She has a remarkable, loving, and supportive family that I feel I have known for years. It was truly a blessing to see the support that she had 24 hours a day. My heart goes out to all the family members of this wonderful lady. Love and prayers, Stacy Platt, (RN on 3rd floor, heart failure unit)*
