“ *Skipper was very instrumental to my career at Burger King, starting way back in Jan. 1976. He sort of took me "under his wing" so to speak when he was RGM in Detroit at the time, and I had just joined BK Corp. in Miami. We remained good friends ever since, and would always try and see each other when he flew into Miami from Europe or wherever he was at the time. What a great man, and a true inspiration to many. Betty and/or Chris, pls email me when you get a chance as I do not have your contact info. I wish I could make the service Friday, but will be out of town.*
