“ *Herb was my best friend for many years. I spent a lot of time with him and was in his house frequently. I loved Herb and Diana and their children, Tammy, Terri, Daniel, and Stacey. Their children were part of a youth group we had back in the 1980's. Herb taught me a lot about the South and what it was like to be a Georgia boy. He was a gifted man and was always successful in whatever he attempted to achieve. I will look forward to seeing him in heaven when I am called home as he was.*
