“ My first memory of my Great Uncle Hiram. I was around 8 years old. We were at Granny's & Grandad's house. Hiram was getting ready to move to Colorado. I thought that was the farthest place anyone could ever go. His car was hitched to a uhaul trailer, which was the first time I ever saw a uhaul trailer. He was kind to everyone. His mother, father & siblings, plus many more in the family. I loved his laughter & honesty. RIP dearest Great Uncle Hiram. Love Cheryl-Ann

“ Hiram was the most caring, fun to be around person. I was his niece by marriage and he always treated me and his great-niece and nephew like family even after his nephew (my husband) died. Condolences to all surviving family members.
