“ *Angie, Chris and Cailey,*

I just heard of your Father's passing, we are so sorry. I won't even say it will be okay, it will never be okay, but it will get a little easier year by year as the good memories over-take the sadness in your hearts. I know how much you loved you Dad from the way you spoke of him frequently and the look on your face and the spark in your eyes when talking about him, that said it all. I know he will be missed so much by all your family. I know Chris will make sure that you are taken care of as always, but if you need anything else please let us know! We love you guys!

“ Dear Family,

I am so sorry that I will not be able to come to visition or the funeral. Homer was such a nice man, I'll never forget growing up with yall as neighbors. We were really blessed to have such wonderful neighbors who cared about about us and the community. I remember how he loved Sandra and his children, his family was always very important to Homer! I know how extremely hard it is to lose a parent, but remember all the good times. My thoughts and prayers are with yall. God Bless You!
