“ Howard was a terrific friend and neighbor. His grandson, Tilor, and my daughter were the same age. We spent countless hours at the pool while they swam together. Through those times I got to know Howard very well. His intelligence, dry wit, and no-nonsense way of thinking will be missed. Rest In Peace Howard.

“ Loved going to Martins Supermarket every day to get lunch with Howard during our CTS days. He came to my house a few times as well for various things. I have a lot of good memories of him.

He was a great father , he worked hard for his family . He was always involved with us playing sports and with school . I have many good memories of Dad . Thankfully we became much closer as I grew older , we were able to close many old doors . I miss him every minute of my day my wife and daughter were very close to him . I don't know what else to say . I'll add more soon .
