“ Catherine, Shana, and Michael, please accept our deepest sympathies. The Bur and I were roommates at Waynesburg. I was his sponsor and Big Brother when he pledged Phi Sigma Kappa. I remember all the good days and not so good days young men have as they grow into adulthood. The Bur had a big heart, and he would do anything for you. He had an even bigger personality, and it was always on display. In recent years, when attending our annual golf outings in Myrtle Beach, his sense of humor was enjoyed by all of his brothers. I loved the guy, and will miss him greatly. RIP my brother.

“ Catherine, Michael and Shana, please accept our deepest sympathies. I've been a friend of Howdy since college days. A terrific guy, no one was more friendly, fun loving and caring. As a fixture at our Myrtle Beach golf outings he played good golf, told marvelous stories and enjoyed every minute of the weekend with old friends. Howdy made the trip better for everyone. #79 will always be remembered and will be sorely missed. I posted a couple of Myrtle pictures.

“ Since he arrived at Waynesburg College from Smithfield, Ohio in 1967, ‘Howdy’ has been a true ‘bigger than life’ force as a brother and teammate to me and all of our many friends. A standout offensive lineman on the varsity football team, his nickname ‘Big Boy’ also applied equally to his huge laugh and personality. Howdy was a massive presence at all of our events and in our lives, and there will be no shortage of ‘Bur’ stories and memories as we move forward. Life will never be the same. Rest In Peace brother, we’ll love you forever.

“ I always enjoyed my time with Howard playing Pickelball. He was a joy to have as my partner on the court as he never complained or offered advice whenever I hit some unbelievable terrible shots! He was a true gentleman and I will miss him. Catherine you are in Jan and my thoughts.

“ Though I didn't know him long, my time with him playing Pickleball proved him to be a gentle and kind man. Our loss, but he's in a better place. May God embrace his family within the arms of His holy Comforter.

“ We have such wonderful memories of spending time with both Howard and Catherine! Whether playing pickleball, Pictionary, Taboo, or just enjoying a conversation together, our times were always enjoyable. A memory of Howard we will never forget is his wonderful joke telling ability! He could always make us laugh, I could even do the funny voice is needed for that extra hilarity!
