“ I just now am reading of Rick's passing. My name is Mary Jane Bowen. My mother and Rick's father were brother and sister. My siblings Tom and Ellen and I grew up in Wisconsin but spent times with the Richardson family during summer vacation. We have so many wonderful memories of that time. To anyone who is reading this now...know that Rick was part of a loving extended family.

“ Rick and I were friends for over 60 years. We grew up together and graduated from high school in the class of 1970. We lost contact for a time and thankfully reconnected three years ago. Rick always had a smile and a good joke. I laughed more with Rick than any person and our laughter was good for both of us. I miss him. Rest well my friend.

“ What grand adventures we have had! We shall truly miss you!
Trying to keep you, Henry and Jim in line was like trying to herd cats. I must of did a good job. None were arrested. None were committed. Rest well, friend. We will see you on the other side.

“ *We had the pleasure of knowing Rick since the early 1980s when Sid and Rick worked at Delta Air Lines in Atlanta, GA together. Rick purchased the house next door to us so we were also neighbors for several years. We have all remained close over the years up to Rick's passing. He watched our daughter grow up to become a mother herself. There is a hole in our hearts and he will be missed by our family. Our deepest sympathy to your entire family at this painful time.
