“ *He will be missed ! He was so awesome and my family has known him for 3o years . One memory would be wheb he had the salvage yard David and I would send him tons of business and was always such a pleasure to talk to and always helpful . He would walk into tire store and give me big hug . He was a genuine kind man and we all learned from him over the years . We love his sons too Gary and Larry and we send our condolences and prayers for you and your families . Brandon (our son) has always looked up and admired your family and we will be praying for all of you . Heaven gained a new angel and he will be with you always . Love you all

Dad said he was like the older brother I never had. They both served in World War II.
Rest in Peace Hoyt. Dad said he will never forget racing Soap Box Derby Cars together.
