“ *Larry Barnes was a true Christian and a real friend, who didn't talk about his faith very much -- he lived it. Larry never spoke ill of anyone and was always ready to help someone in need. He came to our rescue one evening when we had an accident on Lake Burton, in spite of his being tired from working on a Habitat for Humanity house that day. We will always be grateful. Larry was a master boat builder and a real craftsman, who took great pride in his work. He was a prince of a fellow and one of a kind; we will miss him. Our love and condolences to Melissa and the family. Anne and John Whitney*

“ *Melissa, the residents and staff of Lanier Village Estates express heartfelt condolences to you and your family at this time of loss. We will be here to love and support you in the days, weeks and months to come as you adjust to a new way of living. Faith teaches us that Larry is absent from the body, but present with the Lord. Jesus, who has prepared a place for Larry in heaven, says to you: "Peace I leave with you; my peace I give unto you. . . Let not your heart be troubled, neither let it be afraid" (John 14:3, 27). --Chaplain Richard Evans, Lanier Village Estates*
