“ *My loyal friend Ms Ivey, my thoughts and prayers are with Rachel and your family. I miss you. Our lunches, dinners, and coffee meetings will always be in my heart. Your kooky sense of humor and that tough exterior that could not cover the sweet kind heart that lay within. We shared the same moral values that drew us close as friends. I hope Rachel and I can continue our friendship that you fused. I love you Hwa Young (I can call you that because we are sisters)*
