“ *I will keep this simple, this is how I think of my wonderful Grandmother;*

She was an Angel on Earth....

Love you Grandmother you filled my life with so many memories.

“ *My grandmother was a woman of strong faith and I believe it was because of her constant letters to me that I eventually became a believer in Jesus as my Savior.*

In her letters, my grandmother always included statements that Jesus loved me, and He died for me.

In my late twenties I began wondering what she meant by that. I sought out verses about Jesus and God's love in the Bible. Soon I started attending a local church to learn more. I've been a follower of Christ since then.

I believe it's largely due to my Grandmother's statements about Jesus loving me that she included in all her letters. I'm sure her prayers matched her sentiments and ascended into Heaven bringing her children and grandchildren constantly before the Lord.

Thank you Grandmother for pointing me towards Jesus.
