“ I am so sorry for your loss. May God comfort your mourning hearts. I pray that you find comfort in Revelation 21:3-5. This scripture paints a picture of a world that is very different from what we see today. A world with no more sickness, pain or death...and it is not a dream, it is a promise from God. He promises to reverse the effects of death and resurrect your precious one. You will never have to say a painful goodbye ever again!

“ We always have a problem with His timing, & this is too soon. Ms Iris was always a delight to listen & talk to. Her immense love & pride in her family shone through with every conversation I have ever had with her. I thoroughly enjoyed hearing her laugh & can only imagine the huge loss, everyone is feeling. I hope that shared memories will keep her love close to you & pray for His tender loving care over all of you during this difficult time.

“ Sid and family, Iris will always hold a special place in mine and Buster's heart. She was fun, caring and she brought laughter to our lives. She will be missed at Crossview church especially as "Granny" the candy lady! She loved you all dearly and would want you to carry on and live life to the fullest. We have the joy of being with her in heaven one day! God will be your strength and you will remain in our prayers.

*Much love and prayers, Edith and Buster Puckett*

“ Mrs. Iris was one of my teachers when I was in Kindergarten at Flowery Branch. Any time I saw her through the years she just hugged my neck and would always take time to catch up with me. Speaks a lot about a person when you remember them 28 years later and how they made you feel so loved. The world lost a great woman. You will be missed Mrs. Iris.

“ Iris was known to me as "Granny" for several years when I was a small child. Granny was a special woman and I have great memories with her and my siblings growing up. She was a wonderful grandmother to me and I am so very thankful for the time I had with her. My sincerest condolences to her family and friends.
