“ *Anne and Family,
Jw is one of those souls who makes an indelible impression on all he touched. His footprint is more like a body print because one can never forget his selfless dedication to a greater purpose. During this time of transition, Ann, I believe you and your family will find comfort, love and peace to use as a guiding light. Currently I am out of town and will miss the funeral but, I am with you in spirit.
Much Love, Mary P.*
