“ *Miss you dad, I miss your calls and your messages on Facebook messenger. I miss talking to you every day and your funny sense of humor. So corny but so funny sometimes. You wanted to make people laugh. You were fun loving all your life and never met a stranger. I'm sorry I never got to know you very well as I was growing up. I am just glad we connected in the last 25 years or so. Love you and hope to see you again in Heaven. Judy*
