“ *Although I only met Jack a couple of times before he passed, I've gotten to know him through his family and friends. It was greatly impressed upon me that he was a strong, respectable and straight forward man. He ran a business, was a positive influence in the lives of many and he took care of, provided for and protected his family. As I met folks at the funeral home during visitation and his funeral the following day, there was something that caught my attention... I met lots of people that were actually family members of Jack, but I met just as many, if not more, that simply felt like he was family to them...*

Ms. Wanda and Phillip, you are in my prayers daily. :-)

*God Bless,
Missy*

“ Pawpaw you will be missed. I am honored to have been a part of his life and a part of his family. He was like a grandfather to us and held a special place in my heart. My prayers go out to all of his family and if you need anything we are just a phone call away. We love you Pawpaw and we will see you again one day. Until then don't give God to much of a hard time:)

Love,
Cassandra
