“ To Jackie's children and Mr & Mrs Capps, heaven gained an angel and the world lost a bright light. My heart is broken and heavy, she is one in a million. She was always so funny and had a kind heart. We spent many days "washing laundry" at my kitchen table. She will always be in my heart. Rest easy beautiful friend, I'll miss you. To her family you will always be in my prayers ??

“ Today, there aren't enough words to say how sad I am. Jackie and I have been friends for as long as I can remember. Our friendship started at Glen Haven Baptist Church. I have many many many happy memories - ones that I will cherish for the remainder of our lives. We shared 2 apartments together. We had children at the same time. She stood with me as I got married. We kept in touch even though our lives took us in different directions. I am thankful for so many happy times. I know that we will see each other again. Love you Jackie

“ *What a sad day, I worked with Jackie at Grady many years ago. She always had that beautiful smile on her face and had a great love of life. The world is a little darker with her gone. May she rest in peace and may her family find comfort in all the love that is being shared at her loss.*
