“ Doris and Angie, It is with a heavy heart I post this note to you. Having known the family for so many years makes it harder. Having just gone through this myself I can feel the pain that will go on for a long time. I do find comfort in that I know he is now happy and not sick anymore. God will get you through this. Just love each other and cry, laugh and scream if you need to as you remember him and his life with you. I love you all. Miriam Lewis and family.
