“ Heavenly Father, when you raised Jesus from the dead, You declared victory over death. I pray the people of God experience that same power in every trial, and tribulation during this time. Help us to know a power not of our own but one that comes from You. In Jesus Name!

“Peace from Miss Denise”

“ Jackie - you were my chosen sister from the start. For the last 10 years, we've been inseparable. My heart is decimated with you gone. I have so many memories of the two of us together. This wasn't supposed to happen yet, it was too soon. Please send me a sign that it will all be ok. I'll always love you. Betty
