

Jacqueline "Jackie" Hunnicutt Scott

May 10, 1945 - October 28, 2021

Jackie Hunnicutt Scott, 76, of Suwanee, GA, passed away unexpectedly on Thursday, October 28. Born on May 10, 1945, Jackie was raised in Central, South Carolina, graduating from Seneca High School in 1963 and Furman University Nursing School in 1966. She invested her life serving others as a nurse, retiring from the Gwinnett Hospital system after 30+ years of faithful service. Her service to others extended well beyond her nursing career as she generously leveraged both her time and resources to multiple charities, ministering on various mission trips, and volunteering at Gwinnett Church, Sugar Hill. Jackie was also actively involved in organizations she believed would provide a better future for others: The Conservative Republican Women's Group, Gwinnett Republican Assembly, Citizens Impact Group, Georgia Task Force for Child Abuse, and Child Adoption.

Jackie was preceded in death by her parents, Thomas and Lillie Mae Hunnicutt; her sister, Harriett Garrett; and her daughter, Kelly Scott. She is survived by her sister, Gail Williams (Alec), and brother-in-law, Lamar Garrett. She is also survived by three sons: Alexander MacConnell Scott IV (Elaine), Philip Thomas Scott (Jennifer), Christopher Paul Scott; and her daughter, Shannon Leigh Scott (Janet). She was a proud grandmother of three: Harrison Alexander Scott (Alyssa), Katherine Elaine Scott, and Thomas MacConnell Scott; and one great-grand daughter, Henlee-Sailor Elizabeth Scott.

“ *Jackie was always so conscientious, kind, and hospitable. I loved catching her eye at GOP events then watching her face light up when we'd see each other. She was a patriot, fighter, and friend - sorely missed.*

“ *Being with Jackie was always a joy. She graduated from GGH with me. We met at Folly for several years with other classmates. My sympathy to her family. She will be missed.*

“ I will be forever grateful of Jackie's compassion for my daughters. I was never once around her when she didn't ask about them and what was new and exciting in their lives.

I will always think of Jackie when I eat the first tomato and mayo sandwich of the season because we did that together more than once and I know how much she loved them.

I will never read on my dock without remembering how she loved to do that. She would show up around 10:00 and stay sometimes all day. Those that knew her well, know she liked to stay on task with whatever she was doing. She liked a good schedule. I will remember all our fun times at the lake and the many conversations shared there. She even rode the sea-doo this past summer by herself and loved it!

Rest in peace my lake friend until we meet again.

“ We can't believe that this beautiful southern joyful spirit is no longer with us ... though we are new to this group , she has always been a stand out personality ... so full of life , love of country and devotion to our lovely southern ways . She always added warmth and humor and so much love to every occasion . We looked forward to simply being in Her presence ... can't even imagine a meeting without her welcoming smile and southern hospitality... such a shining light ... now her grace and beauty will shine even brighter in heaven , though so many will miss her warm , reassuring glow... now we have another precious angel to pray to We only pray that she knows how many lives she has touched with her love ...Until we meet again Please feel our love ...

*With love and sincerest gratitude ,

“ So thankful to share a dock with this Sun Goddess of Lake Keowee! While I spent only six years with her at the lake, it was hard not to fall in love with her kind spirit and humor. Jackie made many friends as a long time lake resident and all adored her in the same way. Shannon and Phillip, I am still working through my grief after losing my husband Rodger (who looked forward to watching Clemson games with your Mom). You will always miss her when you think about the past, present and future!

“ Shannon and Phil and to the rest of your family, our Jade Tree family is so sad to know that we will not be able to share your mom's kindness and energy again. We are thankful to have the many great memories that she created with each of us and we will forever be sharing those stories. Your mom's smile was bright and her heart was made of gold. I am sure she is up with the angels teaching them how to drive some go carts! Lots of love to you!

“ Shug was so enthusiastic about life and everything she was involved in. She loved serving people and her love for the Lord defined her. I'll remember lots of times working in ICU/PACU with her. A true friend who I will miss and think of often. I'll see you in Heaven Shug.
