“ *I have fond memories of Jackie, we worked together in Metrology at Mound and for a few years she worked for me when I was manager of Metrology Engineering. Her pride and joy was Christine. My sympathy goes out to you.*

“ *Christine and Family,*

My thoughts and prayers are with all of you. My family and I had the great honor of knowing Ackie for the past several years. She was a fixture at so many football, baseball, and softball games cheering on her grandkids. I especially looked forward to her post game hugs no matter if the team won or lost. She will be missed but I know she is looking down on her family in heaven. God Bless.

“ I am so saddened to hear of the passing of Jackie. My prayers are with her family and friends.

Jackie was truly one of the great people at Mound. I so enjoyed our time together. She always had a smile and wonderful laugh. I'd stop by and see her knowing she would pick me up and make me laugh. I pray and wish I could be more like her.

Jackie and I always ended our phone conversations with the phrase "Say Good-bye now." Jackie, I'll say good-bye now, but I know I will see you again.
