“ *To Andy, Jill, Beth and the Perry family,
When I think of Jacquie, her smiling face appears and then I can hear her distinctive laugh. Jacquie and Andy played a big part in my life during the early 1970's and then they helped raise my daughter for which I am forever grateful.*

Jacquie was a unique person with a strong connection to life, not only for humans but for animals as well. There were times when if you visited Jacquie you might also see some animal she was caring for. I don't think there was ever an animal in need that she didn't try to help. Andy you are an angel and Jacquie, along with everyone who knew her, feels so much admiration for the way you have handled everything. Jacquie will be missed by anyone who had the pleasure of meeting her. May she rest in peace.

“ Andy, Jill, Beth And family,
You all were very special neighbors to my parents for many years.
Your mom was very helpful to them and gave me peace of mind .
Jackie was very kind hearted and I always enjoyed talking to her.
Andy, I'm glad you called me to let me know and also being able to
take the time to catch up.. I will not be able to be with you for the
celebration , but I will be thinking of your family and I know that
Jackie will be at peace and iwith my parents once again in heaven .
I hope you take this time to reflect on the times you had with your
mom and wife during this hard time. Carol Fillingim
