“ Jalen was a great guy. I remember when I lived in Suwanee, and we did some really fun stuff that makes me laugh when I think about it now. From floating down Brushy Creek in huge tires to boxing in our backyard and other fun adventures. I never got to write a memory because of everything that happened in 2020 with the COVID pandemic. However, I hope you and your family find peace.

Warm Regards,
Bailey Sage Humphries

“ I went to North Gwinnett High School with Jalen Leonard from 2015 - 2019. A few fun, happy memories come to my mind. A comedic jokster who made people laugh including me with his witty jokes. He was always social with others, and we built a solid friendship while it lasted. Having good conversations is my favorite memory. His incredible knowledge of cars was very interesting to hear. That car show in August 2017 was cool in ATL!

I never took the time to comment on his obituary in The Hot Summer Of July 2020 when I heard the sad news of his passing from this Earth to Heaven.

He was a bright, solid, kind, intelligent comedic, good person who lived a good life on this earth while it lasted. Thank you. --- Angelo J. Iafelice (24)

“ *Words can not express our sadness when we heard of Jalen's passing. We enjoyed watching him grow up from across the street. From a little baby, to his first day in school, to a young teenager. Jalen was such a nice kid. Always respectful. It was a joy to have known him. (Neighbors from New Kensington)*

“ I was Jalen's music teacher in 4th and 5th grade. I remember him as an incredibly smart young man who didn't speak often, but when he did he always had something very insightful to share. He was usually very serious but when he smiled it was like sunshine. I'm so sorry to hear of his passing. Sending my sincere condolences to his family and friends. You are all in my prayers.
