“ *Dear Ann*

We are so sorry Jim and all of the family has had to go thru this. Jim was one of the dearest, sweetest and caring persons in the world. He made us friends from the first day we met and we are so very grateful to have had him in our lives. I can't believe he and Ed lost their battles so close together. I will keep you in my prayers and give you a call as soon as things slow down a little. Love you, Gayle and Rebecca

“ *Ann and family,*

We are so incredibly sorry for the loss you have endured. We are grateful to have been able to meet Jim. He was truly a special person and has left an impact on many people's lives. It is a struggle to try and find words to express our sympathy and I wish that any words could help lessen the sadness of losing such a great person. Please know that you are in our prayers and that we love you.
