“ We send our love to every member of our family especially Aunt Juanita, Uncle James's children, grands and great-grands. We all suffered a loss but Heaven gained a treasure. Uncle James walked right through the pearly gates and straight to God's throne. I know his love ones awaited him there. We all look forward to the day when we are reunited. Let us celebrate his home going, knowing he's pain free, carefree, and filled with joy like he's never known. May that joy and God's peace bless you and help you remember the good times and look forward to our heavenly reunion. All our love to you all!!

-Andrea (proud and loving niece)

-William (loving Eldest brother)
