“ *OH my gosh, I just heard of Felton's passing this morning. I feel terrible, as he was my neighbor for 25 years. Always a joy to talk with and always a comfort knowing he and Welton were just a few doors down. The family is in my thoughts and prayers!*

“ *To Felton:*

*You will be so missed by me and my family. Thank you so much for all your support and love throughout my time in school and beyond. And for every one of the Harry & David gift baskets I received during Christmas. Felton Cronic was one of the kindest and selfless persons I know. I am so sad I cannot attend the funeral, but I know heaven received a real sharp angel today. Many prayers out to Welton and the rest of the family.*

*Much love,

“ How appropriate for Felton to be buried on Veterans Day. He served with great distinction and was a true soldier, loyal to his country, selfless, and always thinking of other people. He was a fine Christian man who made an impact on me for having a pure, Christ-filled heart. God Bless you Felton; Teresa can't be here but she will miss you very much. You always encouraged and blessed her. From all the Davis Family, our sincere condolences to a true American hero!

“ Mr. Cronin was truly one of a kind! He was our most loyal fan when I played softball as a Commerce Blazer. He and I had many conversations surrounding sports. I truly appreciate the wonderful kindness that he always showed me, my family, and my softball team. On this Veterans Day, I would also like to thank him for his service to our country. He will always live in my memory.
