“ *Some of my favorite memories of uncle Jim are when he would let me rummage through his shed out on the old farm and play with stuff that I probably shouldn't have. You will be missed!*

*Uncle Jim was always a favorite uncle of mine. He always had a gentle laugh and sweet smile.
I have known him since I was a teenager and my aunt and him were dating. Special family times. Will miss him.

“ *Uncle Jim has had a special place in my heart...because when I was a little girl I always had a special spot on his lap. I always got a smile from him when we shared time together. It'll always be Aunt Karen and Uncle Jim to me...a special love!*
