“ *Michelle and Christian,*

I was so sorry to hear about Jim. Although I haven't been in contact with Jim for a few years now, it was still a shock to hear about his passing. We were close friends at one time, and I will always cherish the memories. I never know what to say at times like this, but I just wanted to write and say I am deeply saddened and I will keep you in my thoughts and prayers. Take care.

“ I am very sorry for your loss. Losing someone we love cuts so deep into our heart and all we want to do is to see and hold them again. The Bible promises that this will be possible in the near future. The Bible calls death an enemy that God is going to wipe away very soon! He will reverse it's effects and wake your precious Mr James up. You will never have to fear letting go of his hand ever again. This is a promise from God!
