“ *My deepest sympathy to Juanita and the family. I will never forget all the great times we had in Norcross as neighbors from the white house to the blue house as Jim would say. His laugh was contagious. Many mornings we headed out the door to race down 85 to our jobs.  
Please let me know if you need anything. I will have you in my thoughts and prayers during the difficult days ahead.  
Deepest condolences,

“ Jim, we'll miss you. Though we didn't see you very often, when we did, you were always upbeat, warm and friendly. We'll a;so miss the infectious smile, and entertaining stories.

Juanita, our thoughts are with you, and also with Wendy and Tracey. I, personally, know how hard it is to lose a spouse, partner and best friend, and I feel your loss.
