“ We shall miss our great friend "Jimbo". What a guy, always friendly, accommodating and hospitable. So many memories we will always remember: your great basement parties(where the door is always open), The Follies, your comedy shows and of course Karaoke. We have surely missed the Sunday phone calls which always said, "hey you want to go have dinner". You contributed so much to Deaton Creek and the residents over the many years. Now "Go Rest High Upon that Mountain, Your work On Earth Is Through". Tell Dale we said Hi.

“ Angela and I will miss Jim. To us, and to so many, he was a huge presence at VDC. He was one of our first friends when we moved here, and he always had a big smile and warm greeting for me, and a big bearhug for Angela. A man with many talents, with the greatest gift being his loving and generous nature. Our condolences to his family. Rest in Peace, Jim.

Love,  
Sam and Angela

“ *Prayers for Mr. Green's family. I was his biology assistant at SWD for several years. He was my favorite teacher and was a good mentor and friend to many SWD students. I still have my Butterbeans record he gave me. I have such fond memories of his classes at SWD...I'm sorry I didn't keep in touch with him all these years, but never forgot him. May he Rest In Peace. “ We sure will miss the good times and friendships we have had over the years with you. Deaton Creek will seem kind of empty without you. We sure enjoyed the times in your basement singing and having fun and just being together. We will surely miss you at "Chicken Pot Pie Wednesdays" at Cracker Barrel. Rest easy and know how much we loved you. Curtis and Donna Finney

“ Jim was, without question, one of my very best friends of my adult life of 70 years.

He was a devout Christian of a quiet but profound faith that had its birth in a Methodist church background in North AL, grew during his studies at Central Wesleyan College where he studied religion and science. Unknown to many of his friend was the mission efforts to the Cherokee Indian villages of NC while a student there. Jim qualified to be a minister upon graduation but being one of three of CWC 's first science graduates he choose to serve through the teaching profession. Though Jim enjoyed a bit of "Pomp and Circumstance" he did not have any passion for rituals and traditions in his Christian life.

No sham or " look at me " in his religious life. Jim liked things simple as expressed in a song he wrote, PASS ME ANOTHER BOWL OF BUTTER BEANS.

How do I know these things? We must have had breakfast together about 150 times and spent another 300 hours driving around in this area of GA .Yes, Jim you were right when you told me as we talked about death an eternity and other matters as well, "you don't, know nothing cause we don't have any control9ver those things".
