“ James "Jim" Conley

“ I am so saddened to hear about Mr. Jim's passing. I got to know him because he came to visit my father-in-law, James Murphy in Carl and Winder, GA. He also visited a few times after James had passed and brought hats to my wife, her sister and mother, in honor of HIS wife Barbara. He called me occasionally to check up on us, always remembering our kids and my grandson. And I'd call him from time to time to check on him.

As others have mentioned, he was always in good spirits even when going through some troubles of his own. His health problems seem to stay with him the last couple of years especially.

I've been trying to call him the last couple of days but got voicemail every time, which started me searching around for him.

A VERY nice man and a pleasure to talk with.

So sorry he is gone.

“ He always made my day better when I got to chat with him on his truck. The world was definitely a better place with him here, now heaven is.

“ Jim was such a great friend to our family and especially to my dad, Marvin. He was always positive and I never heard him say an unkind word. He encouraged me through his kindness and that big smile.

“ I always enjoyed talking to Jim in Sunday school class at Sunrise Baptist Church. He always seemed so happy and full of life and had a positive attitude. I remember how he brought little gifts to our class that showed his generosity and thoughtfulness towards others. He always amazed me at how he remained so independent despite his physical limitations. He will be greatly missed in our class, and I'm very thankful to have met him and known him.
