“ *My condolences to Jimmy's family and friends. You are all in my prayers. There are never the right words to soothe the loss of a loved one. I first met Jimmy when I started eighth grade at Duluth high school and I remember he was always smiling. He was one of a kind.*

“ *Jimmy was my first friend after my family moved to Duluth when I was in fifth grade. As you all know, he was very outgoing, so he took me under his wing and even as a 10-year-old, looked out for me. Of course he was the star athlete of the class, and every day when we played baseball at recess, he took my "last strike" so that I always got on base. Our friendship continued as we moved into high school and we managed to march together into our graduation ceremony, discretely not exactly holding hands, but "holding fingers." Class reunions in later years gave us a chance to be together again and his sense of humor and sometimes wry comments about himself enabled those occasions to forever stand out in my memory. May God bless all of you with equally wonderful memories of this special man. Sandra Underwood Gibson*

“Coach Garmon” was a wonderful teacher for me and countless others. I will always appreciate his time and trouble in coaching my basketball team years ago. I was certainly no athlete, and yet he was patient and inspiring. My thoughts and prayers are with you, Mr. Garmon. Thank you. Ashley (Pirkle) Durham

“Everyone that played football at Duluth High School in the 1960’s and 70’s knew Jimmy as a legend. I was fortune enough to become friends with him, and will value our friendship the rest of my life. Jimmy will be sorely missed at the DHS alumni lunches where he was a regular.
