“ *I am very sorry for your loss! I know that words cannot describe the
pain that you are feeling right now, but I pray that you find comfort
from God's word. He promises that in the near future death will be
no more and your loved one that has fallen asleep in death will be
brought back to life!*

*(Revelation 21:3, 4; John 5:28, 29) You will never have to
experience this pain again! (Isaiah 25:8) Jw.org*

“ *Deepest sympathy for the loss of Nelson. According to Psalms 90:10, 'Our life span is 70, or if we are especially strong it is 80.' So Nelson was blessed with the strength to live a long and satisfying life. Nevertheless, at times like this we all need comfort from a reliable source to help us deal with the grief we experience when we lose a loved one in death. May your family find comfort and strength in your fond memories and Bible promises such as Revelation 21:3, 4 and John 5:28, 29.*
