“ *I lived next door to Jim for several years back in the 80s and 90s. Jim and Suki and their son Justin were good friends to my family. I remember him as being a kind, devoted husband and father. I know he will be greatly missed. So sad to hear of his passing.*

“ *Jim is my beloved brother. He loved his family and his kitty unconditionally. He made our world a better place and he will be the one of the sweetest angels in heaven. He was a courageous man who was fiercely protective of his family and friends. There is no way to adequately express my love or the depth of my gratitude to his wife and children for making his life wonderful. My husband and I will always cherish his memory.*
