“ *Dearest Jamie and family,
Our hearts are so broken to hear this news. We are so sorry. Your Dad was kind and loved you so much. My favorite memory is when he drove in the ice to pick you up. A snow storm came and you and the girls were all at our house for days because driving was dangerous. He missed you, but was happy that you had a blast with your friends! God Bless you and your family during this difficult time. We love you and are here for you.
