“ *It is with great sadness that I learned that such a wonderful neighbor and dear friend is no longer with us. You will be deeply missed by your loved ones, and truly missed by me as well.*

I will continue riding my horses down the dirt road past your house, but it will never feel the same knowing you are no longer there to pop out and share a simple conversation. Those small moments meant so much.

The world needs more people like you, Dean. I am certain that Heaven above is blessed to welcome someone as kind and genuine as you.

Rest in peace, Dean.

*Sincerely,
