“ Oh my dear Girl...Jamie, life got in the way and we lost touch. You were always a bright memory for me, and I missed you always. I cannot reconcile your early departure, but knew, somehow, you had left. My deepest sympathy to those you left behind, you can never be replaced and left without ever catching up. Love you always dear girl, and never will I forget your smiling face. RIP with the angels you came from.

“ Was thinking about you today. When I think of your smile, I grin because I know I was one of the lucky ones who crossed paths with you. If someone asked me who you were, without hesitation, my answer would be “ a beautiful ultra cool legend”. Until we meet again my friend, rest easy. Love - Andrea

*Jamie loved me. She was like the daughter I never had. I did not realize how much I loved her and how much she loved me till she was gone. My heart and I grief for her even after all the time that has passed. I should have cherished her more and showed her my love for her much more.*

“ Dear Ann,  
*With heartfelt sympathy, so sorry for your loss. I pray for God above to comfort you during this sad time.
