

## Janet Marie Robson Stokes

September 16, 1965 - August 14, 2021

It is with great sorrow that we announce the sudden passing of Janet Marie Robson Stokes on August 14, 2021, at the age of 55. Her family and friends mourn the loss of such a beautiful soul. She made an incredible impact on all that she met. She lived for adventure and shared that passion with those that she cared about. She was one of the most generous people in the world. She loved to spread joy to all those around her. She is survived by a loving fiancée, Allen Green; her father, James Robson; her mother, Diann Jenner; her brothers, Jim Robson (Darnell) and Roy Wathen (Debbie Lynch); stepsister Sherry Tamez (Daniel); ten nieces and nephews, and 8 great nieces and nephews, Allen's 3 children and grandson. She is preceded in death by her sister, Krissy Lemke. While Janet never had children of her own, she adored her nieces and nephews. She treated them all as her own.

Janet's love for travel and adventure was a beautiful part of her soul. She loved to explore new places and share them with those that she loved. She lived life to the fullest and was purposeful in planning every trip to make the most of every situation. She loved to laugh and spend time with her family. Her actions spoke volumes. She showed up for her loved ones. Whether it be a baby shower, graduation, birthday, or a time of need- she was always there. We never doubted her love for us. She was an incredible person. She was quick to offer positive, uplifting words when you needed them most.

Janet was born in Attleboro, Massachusetts, on September 16, 1965. She remained a New England Patriots fan and loved to watch the games with her

brother, Jim. In 1977, Diann, Krissy, Janet, and Jim moved to Port Charlotte, Florida. She graduated as a National Honors student from Charlotte High and received a volleyball scholarship at Rollins College. She moved to the Atlanta Area in 1985, where her father and brother ultimately settled as well. While she frequently traveled, Gwinnett County remained her home base. She met Allen in 2016 and her friends and family could instantly see the joy and companionship that he brought to her life. They were engaged to be married in Banff Gardens, British Columbia, when the COVID travel restrictions were lifted. She was employed by Westdale Asset Management, where she was loved and respected by her coworkers.

There will be visitation and a memorial service at Flanigan Funeral Home and Crematory in Buford, GA, on September 4, 2021. Visitation will be 11 a.m. till 12 Noon. The memorial service will be from 12 p.m. until 1p.m.

Janet's final resting place will be at Royal Palms Memorial Gardens in Punta Gorda, Florida, with her sister, Krissy. The burial ceremony will be held on September 16, 2021, at 10:00 a.m. at the Royal Palms Memorial Gardens in Punta Gorda, Florida. Please continue to keep her family in your prayers as this unexpected loss has left a hole in our hearts.

In lieu of flowers, Janet's family asks that you make donations to St. Jude's Hospital in Janet's memory. St. Jude was Janet's favorite charity.

*I love you so my dear friend. I have so many wonderful memories that I have and will continue to cherish for my lifetime. Music just won't be the same without you. I'm going to miss laughing until we're both crying, dancing in the dirt, singing at the top of our lungs, hiking to magical places, pictures of hilarious inappropriate trees, your beautiful smile and so so much more. I'm truly heartbroken you are no longer here. This is really unfair. So many people felt your love and joy and are so much better for it. I love you Janet. Until we meet again.*

“ To the Family and close Friends of Janet Stokes, I offer heartfelt sympathy and sincere condolences. I am sadden to learn of Janet passing.

I first met Janet at Woodmere Trace in 2017 4 months into my journey fighting cancer. She knew of my struggle and showed me compassion and support. I felt as if I knew her longer than I actually did. Whenever I would see her she offered me gentle words of encouragement and hugs. I truly appreciated her as a corporate regional for being so kind and approachable. May God bless, strengthen and comfort your hearts as you mourn, John 14.

“ As I still sit here in shock, I remember back to our very first conversation and that I knew then you were truly someone special. The direction and encouragement you gave me will never be forgotten. You were a great boss, friend and confidant. There are no words to express how deeply sadden I am to never be able to pick up the phone and call or text you. Just know that I am not saying goodbye I'm just going to say until we meet again, because we will one day.

“ *You were my work mom. You took me under your wing and shared your wisdom with me. As time went on we shared laughs, frustrations, struggles, and triumphs. I respected you as our leader and you always let me know that you cared. I am so glad to have known you for the time that I did. I am better and wiser because of it. To say I am devastated to know that I will never be able to see or speak to you again is an understatement. I only hope you knew how much you meant to me the way I always knew how much I meant to you. You are missed so much!  
With all my love,

“ September will never be the same again sweetie. Although the card you sent me last year will last a lifetime. I loved you as a sister and thank the Lord I have your voice on my voicemail telling me you loved me the same way. We Virgo's are sometimes hard to get to know, but we were so very, very lucky to have each other. Loyalty was always our strongpoint. I already miss you so very much and don't understand why God takes the good ones first. Love you woman! Love you forever!
